- Kit supersedes 878345T27, once existing stock is used up.
- Includes skeg, two pins, and instruction sheet.
- Kit number 8M0075888.

Parts Required

Skeg kit fits all HH, IH, and JH series pods.

Part Interchangeability

been changed from a roll pin to a solid pin design. This new skeg was implemented on pod serial number 0M988382. The angle of the leading edge of the skeg has been increased, and the pin has been redesigned to provide for improved retention. To resolve instances of skegs falling off due to the pin becoming loose and falling out, the Zeus 3000 skeg and pin have been
